CHAIR REPORT

Dear makers of history,

This report might be long as there is much to report. The last FSC has completed and there were lots of great advancements of Groups accepting responsibility for the services they are creating. There were 10 Groups that participated in bringing their Groups conscience. This included Groups from the Netherlands, and the United States. The States had Nebraska, Ohio, Virginia, Pennsylvania, and New York represented.

Please get started with going over proposals and sending any input to the listed representative of each Group. Please while doing this try to give them time to consider all the input before January 1st which is when finalizing the proposals become motions happens. Give some time to proposing Group to consider the input given. 2 months is ideal. One month early gives some time. There is talk of a Group hosting an online get together so we can discuss any concerns with proposals in October. It is also imperative that we remember the time to clarify questions is now, not on the conference floor. . Communication is all of our responsibilities. We as servants are doing what we can to help communicate with all members and Groups

There was an error that occurred on the conference floor as an attorney spokesperson was given the zoom ID code to ask questions of the Anonymi agent. This is out of order and moving forward we will make sure all discussions like that happen in open forum. The Anonymi Agent answered all of the questions and showed that he had done his research regarding PMA's. Attorney admitted they didn't know much about PMA's. Once situation was explained it was agreed that the attorney did not understand the situation completely and that we are trying to establish a structure that can stay within our Traditions and not fall for the traps of the past. Each Group is responsible for forming a conscience regarding the legalization of our services. Lots of discussion was done regarding the Anonymi Foundation becoming a legal entity. A detailed report from the Anonymi Agent was given.

One of the concerns with the attorney being given the zoom link was that, we have not given out the zoom link to members unless they are in countries that make it impossible to attend the FSC. This includes countries such as Iran, Russia, and South Africa as they are kept from travelling to the USA. Even doing that is a change that happened due to challenges in the world during covid. We had to move the FSC to Atlantic City, NJ for one year due to restrictions in PA. Then we allowed others to participate by zoom the next year but the code ended up being leaked. We had many show up from all over and it caused some disruptions to the manner of how the conference proceeded. This year some asked for the code and were denied as it was agreed to just have those who are in countries that can't make it to the USA for the conference. It was discussed how changes would need to be approved by the Groups if changes are requested.

We need to ensure that all Groups who are bringing a conscience understand an abstain vote will hold up any first-year motion. An abstain counts as a no and is part of the quorum. 100% is required for all first-year motions to be accepted. This is to help ensure all voices are heard. If your Group wants more information and wants to abstain, this is the purpose of an abstain. The option of present not voting is available if your Group does not want to hold up a motion.

We have a passed motion that requires all passed motions to be available for all members to see. This has been a challenge as not every document has been digitalized. We are going to be working on this and will have available what we have available as of this year. Hopefully, this will help keep everyone informed on procedures as we move forward.

I am going through the details from the 2015 report and making necessary changes. It will be included in this conference report.

Shawn and Cherenity stepped down as Chair and co-chair. We want to thank them for their service as well as Matte who served as Secretary. Daniel is the new Secretary with Kate as the co-secretary now. Bill stepped down as literature coordinator. Yelloweyes stepped in as literature coordinator with Matte elected as co-literature coordi-

nator. Bill remains on as the Anonymi agent and Erik F was elected as co-chair. Myself (Eric D) was elected as Chair. We are excited to serve the Fellowship.

Here are some things that were in past reports that should be passed on. If any new proposals are coming from Groups they need turned in right away in writing to a trusted servant at the FSC as there are to be no motions made on the conference floor.

One suggestion was made was for Groups to bring written reports or send written reports to the secretary if they want. This will help make sure things are clear from how each Group stands as well as help make sure nothing is changed from what Groups have conscientized before the conference. For this upcoming year please remember that having Group reports before the FSC in June helps the secretary make sure your Groups voice is heard even if you can't make conference. We like hearing all of the excitement going on all over the world. Please do not wait until last moment to do your Group Conscience or send in your Group report.

We are here to serve the Groups of A.S.I.S. and providing information for how Groups may form and participate in continuing to create services directly responsible to them. Individual addicts must accept personal responsibility to recover and part of that responsibility is making sure to have an atmosphere of recovery that is attractive to those seeking recovery. Group Conscience was seen and heard the sword of Group Conscience is still strong. Keep swinging it to protect our Fellowship from the dangers involved with Groups not having a Conscience. Hopefully, by creating services that are clearly seen to be directed by the Groups, this will help those who may have been discouraged from participating. To be of service, we all must surrender our egos and be servants. We are here to serve if you have any questions, call or write anytime.

From 2015 report with corrections made

NOTE: AT THIS POINT THESE PROPOSALS & MOTIONS CAN BE MODIFIED, BUT ANY MODIFICATIONS MUST GO THROUGH AND BE APPROVED BY THE HOME GROUP(S) THAT MADE THEM. THE DEADLINE FOR CHANGES TO EXISTING PROPOSALS & MOTIONS IS JANUARY 1st, 2027! THAT IS WHEN THE PROPOSALS TURN TO FINALIZED MOTIONS FOR THE 2027 FSC.

One issue that came up in 2026 that I want to make clear is that all first-year motions will have to go back for a second year if a vote of abstain is given. Abstain does hold up first year motions from meeting the 100% required for a first-year motion to pass. Present not voting does not hold up a first-year motion.

The proposals & motions in this report are for the Home Groups of Narcotics Anonymous who create and use the Alternate Service Informational Structure and make it directly responsible to them via the Fellowship Service Conference. These proposals & motions are for review and input. As Home Group members there are several ways to make use of these as you come to a Group Conscience with regard them.

- Ask questions among yourselves. If something needs clarification, contact a trusted servant of the Fellowship Service Conference or, better yet, get in touch with the Group who made the motion to get clarification of their intent. (FSC servants are encouraged to contact the Group making the motion when answering questions to ensure we are representing the true intent of the Group.)

- Submit suggestions if your Group believes it cannot, in good conscience, vote for a particular proposal or motion but believe that you could if there were minor changes made or some clarification of intent in writing. ALL CHANGES TO PROPOSALS OR MOTIONS MUST BE MADE BY THE HOME GROUP THAT BROUGHT THEM. However, often simply communicating can clear up intent or bring to light an unintended consequence that the Group which made the proposal or motion had not considered.

- Read the minutes to see the discussion that went on with regard to them. You may see concerns you had not realized or you may have your concerns alleviated. The minutes will usually have questions, clarifications, and opinions expressed by addicts with a wide range of views on any particular proposal or motion.

- Get involved and discuss these issues on internet websites that are frequented by FSC participants and members of Groups who utilize the Fellowship Service Conference and Alternate Service Informational Structure.

Now is the time to discuss these and get involved. If concerns are cleared up before the next conference, that could be the difference between a motion passing this year or needing to be input and considered for another conference cycle. We are in no hurry and would rather get it right than repeat the mistakes of past service bodies that rushed things, but at the same time we do not want to hold motions up that could have passed had there been ample discussion and/or changes made prior to the conference. It basically comes down to this: The more involvement and discussion we have now, the more likely a motion is to pass.

WHAT TO EXPECT AT THE CONFERENCE

HOW THE VOTING PROCESS CURRENTLY WORKS:

The Fellowship Service Conference uses Group Tally. This means 1 Group = 1 Vote at every level of service. A Group Service Representative who is representing their Home Group carries one vote. A GSR representing multiple Groups carries multiple votes. The same is true of Area Service Representatives, Regional Service Representatives, or any other title the Group(s) choose to use for the person who carries their vote. Representatives who carry multiple votes do not have a “block voting” privilege; we do not use concepts or votes of confidence to renegotiate our Traditions. All Representatives are expected to cast each vote according to the conscience of the Group(s) they represent and voice any reasons given for votes of NO and ABSTAINING. Please be prepared to give the name of each Group you represent as well as contact information, should it ever become necessary to verify that the conscience of any Group has not been changed.

When it is time to vote, the chairperson will ask for all Representatives to raise their hands. The chair will then ask if anyone is carrying the conscience of more than one Group. Those who are, will state who they are representing. Once we know how many Groups are participating, the chair will ask each individual Representative to cast their votes on a motion-by-motion basis. If any Representative is carrying the conscience of more than two Groups, a roll call might be used rather than a show of hands (since a Representative only has two hands). Once all the votes have been cast. All discussion regarding Motions is to be done in open forum.

Motions do not fail! They continue to be considered every year until they are passed (with or without revision by the motioning Group), or rescinded by the motioning Group. They may be removed if no Group chooses to pick up the motion per the approved motion.

There are four actions a Group can choose to take with regard to the voting:

YES – If your Group agrees with the motion, a YES vote is appropriate. Groups that vote YES might be asked to give the reason for voting YES as part of the discussion that goes back to the Groups and into the minutes; usually if the motion does not pass.

NO – If there is some reason your Group believes a motion should not pass as it is written, a NO vote is appropriate. Your Group will be asked to provide a reason for voting NO at the conference. If a reason is not provided, there is nothing for the other Groups who have cast votes to reconsider.

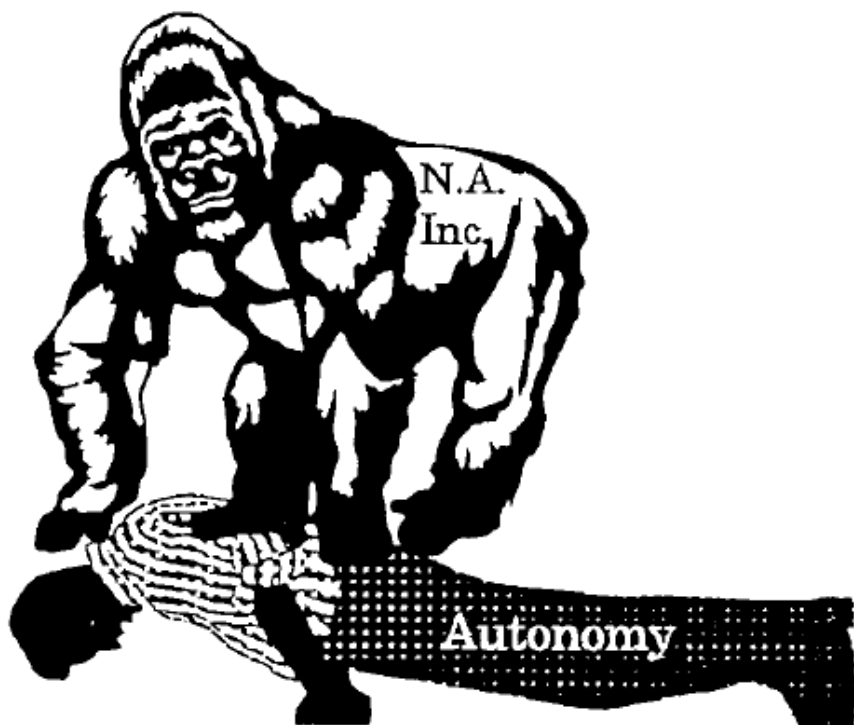

ABSTAINING – Groups use this if they do not wish to vote YES or NO but do want to be considered part of the voting quorum. Because your Group is participating in the voting by casting a vote of ABSTAINING this allows your Group to be considered as part of the quorum with regard to the motion reaching 80% YES votes in order to pass. This option allows a Group to essentially vote not to pass the motion and still be able to provide their reasoning because to vote as ABSTAINING has the same mathematical impact on the final percentages as a NO vote.

PRESENT BUT NOT VOTING – This means your Group is not voting and therefore does not want to be considered part of the voting quorum. The Group does not wish to cast a vote.

When a Group abstains they are casting their vote as ABSTAINING from voting YES or NO but they are still casting a vote and still have a voice. A Group that is PRESENT BUT NOT VOTING is removing itself completely and opting to have no voice on that particular issue. Because of this, Groups who choose this option will not be asked for their reasoning. (This does not stop the Representative from participating in discussion as an NA member.) While this does not have the mathematical effect of casting a NO vote, Groups should be aware that PRESENT BUT NOT VOTING does affect the size of the quorum.

If this seems confusing and all else fails, all we need to remember is Group Conscience is not about votes, it is about a loving God's will for our Group. If

we come to a Group Conscience in our Home Group meetings, as opposed to simply “taking votes”, we will arrive at the answer that is God’s will for us as autonomous Groups of Narcotics Anonymous and our Fellowship as a whole.

Monkey On Our Back

Unplanned Gratitude

I had not planned to become this grateful..

Somewhere along the way, as I surrendered in my steps, God graced me with it. What once felt like an insult — admitting powerlessness - today, feels like a relief.

God knows what I need. I feel that truth in my heart.

Where there was emptiness before, there is now a full and loving feeling. I get to trust. I get to have faith in a loving God who has shown me that life can be good — and that fear is not necessary.

As my recovery progresses, my gratitude list becomes longer. It is a constant uphill journey, and no longer a lonely one.

I opened the Narcotics Anonymous Grey Book randomly while I was feeling grateful and found these words on page 142:

“Through listening to the experiences of others and putting the program into action, life becomes beautiful, pleasant and very exciting. Laughter is a common part of our day. Smiling does not hurt anymore, we can finally look others in the eye and be grateful who we are. Being willing to grow spiritually is the direction that keeps us buoyant today.”

It was a wink from God.
He was smiling at me.
I can feel this love.

It is a beautiful thing to read words in our literature that once felt like distant hope — something I wished might be real one day — and now recognize that I am living them.

I won't claim to have all the answers, nor that I am a saint. I make mistakes, I get angry, sad, confused, scared.

I want to however, say one thing about this and that is:

We do recover. Miracles happen and you are one!
Thank you.

In loving service.

Grow Up or Die!

What a great day to be alive! The road to get to this moment was a rocky one. I walked through a lot of dark and scary places. To say I had ups and downs is an understatement. I would compare it more to the wildest rollercoaster you could imagine.

Towering high over the neighborhoods below, overlooking the river to the east and the

surrounding Great Lakes. You can ride this rollercoaster anytime and it doesn't matter how tall you are. The ride is fun at first and might make

you queasy at times. The good times will turn into nightmares. Causing vivid flashbacks of old and frightening places you've been. The past of darkness will cloud your present days. Your unseen future will become a bed for anxiety and fear.

There will be warning signs all around that you may or may not notice. A quiet whisper attempting to nudge you on the right path. Or the screams of your inner voice begging you to stop going in the wrong direction. Dark and dingy alleys filled with the wailing cries of lost souls. Search-

ing for relief in outside things will only leave you feeling emptier and more afraid than when you first began.

Letting go and letting God will initially feel very surreal. You will not have the words to describe it fully. Relaxation. That is the word that comes to mind. No longer holding onto guilt and shame, you will feel at ease. The dis-ease you once felt will melt away. Surrender, true surrender, feels like peace and love wrapped up in a warm blanket of serenity.

FREEDOM

As we sit here writing,
We no longer are fighting,

We surrendered to abstinence,
We are no longer on the fence,

We are clean,
It's no longer just a dream,

We surrender to Sponsorship,
Seeking our Sponsor's leadership,

No longer is our life full of static,
We have become, a clean addict.

YES, WE CAN

A HIGHER POWER IS THE SOURCE OF THE NOURISHMENT. NOURISHMENT THAT ENABLES PHYSICAL HEALTH, EMOTIONAL STABILITY, AND SPIRITUAL WELL-BEING. LOVE IS THE ACTION OF THAT HIGHER POWER, AND CARE IS HOW WE RECEIVE AND SHARE THAT LOVE. WE HOLD THESE TRUTHS TO BE SELF-EVIDENT.

THE NATURAL COURSE IS TOWARDS THAT SOURCE AND WE ARE IMPEDED IN THAT RETURN BY OUR ATTACHMENT TO THE ILLUSIONS WE IDENTIFY WITH. OUR RELUCTANCE TO LET GO OF THOSE ATTACHMENTS IS WHAT IMPEDES OUR JOYFUL JOURNEY TO THE SOURCE OF OUR BEING. WITH SERVICE TO OTHERS BY SIMPLY SHARING LOVE, THAT NATURAL RETURN IS ENABLED AND OUR LIFE BECOMES A PRAYER OF EXAMPLE AND GRATITUDE. WE ALSO FIND THESE TRUTHS TO BE SELF-EVIDENT.

FEAR IS THE ROOT OF THE ATTACHMENTS WE MAKE TO OUR ILLUSIONS, EVEN WHEN WE DON'T FEEL FEARFUL. TO MAINTAIN VIGILANCE, AND SURRENDER THAT LEARNED BEHAVIOR OF IDENTIFICATION CAN ONLY EASE THE PAIN OF LIVING THAT WE ALL MUST FACE TO GROW TOWARDS THAT LOVING HIGHER POWER WE NATURALLY YEARN FOR AND SEEK. THIS TOO WE HAVE GROWN TO BELIEVE.

THIS PROCESS CANNOT BE DONE ALONE OR EVEN IN ISOLATED CELLS OF LIKE-MINDED PERSONS. WE ALL NEED EACH OTHER. THE PARADOX OF PERSONAL FREEDOM IS HINGED TO THE INTERDEPENDENCE OF OURSELVES. IT'S A REFLECTION OF THE COSMIC SMILE. GOD BLESS US ALL. ♦
