AR4NA Business Meeting Minutes

Sep 29, 2026

7:00 PM Eastern / 4:00 PM Pacific | Zoom

Members Present

Allen Jackson, Bill Fritz, Patrick Burns, Ann Premazon, Jim Dugan, and Jon Arrigo.
Jacob Butki was unable to attend.

1. Meeting Records and Format

Bill Fritz expressed interest in establishing a regular meeting time and format, similar to the former ARNA Legal Strategy Group. He offered to share the group's archived minutes and related materials by email or on a USB drive. Allen Jackson noted that access to the archive could help preserve AR4NA's records.

2. Philadelphia Mailing Address and Pennsylvania Filing

Allen Jackson reported that AR4NA now has a new mailing address in Philadelphia, Pennsylvania. He plans to send a test letter to verify that mail is received before updating Pennsylvania government entities.
The existing iPostal account still lists an incorrect California P.O. Box. Allen indicated that he is comfortable relying on email contact from iPostal if mail is returned, and does not want personal business-address information used as the organization's mailing address.
Regarding the prior corporate-filing action, Allen Jackson reported that he had completed it.

3. Insurance

Bill Fritz reported that he submitted the insurance paperwork using the new Philadelphia address and Allen Jackson's email address and phone number. The insurer indicated that processing would take approximately one week. The paperwork used a general description of AR4NA's purpose drawn from earlier minutes. No approval or policy confirmation had been received at the meeting.

4. PayPal Account

The existing PayPal account remains associated with former treasurer Suzanne B. and contains funds. Ann Premazon had attempted to update the organization name but was unable to complete the change. Bill Fritz suggested transferring the balance to AR4NA's account, then closing the existing account and opening a new one. The transcript records no completed transfer or final decision to close or replace the account; the matter remains unresolved.

5. Website Text and Public Launch

Ann Premazon had provided text from the former ARNA website. Allen Jackson reported that he revised the text for AR4NA and said he would circulate the updated version after the meeting. The group discussed whether to make the website public before AR4NA's purpose and priorities are fully developed. Jim Dugan recommended discussing the pros and cons of an early launch at the next meeting. No launch decision was recorded.

6. Service Direction and Access to Resources

The group exchanged views on practical ways AR4NA could support groups and members. Discussion included making recovery literature and service resources accessible in print and digitally, including for people in correctional settings where tablet-based or paperless access is growing. Members also discussed the value of personal welcome and direct human connection. These ideas remained discussion topics; no program, publication, or literature project was approved.
